

restrictions on age or nationality, but a Fellow must normally be resident in the UK or Ireland. Only one application per person will be considered.

Successful applicants of other CAMS or ACTF awards are still eligible to apply for this award although any over-lap of existing awards should be acknowledged in the application.

Applications are welcomed from candidates who wish to re-establish themselves after a career break or other period of absence from active research.

3. Call Timetable

Activity	Date
CAMS Fellowship Call 2021	

The review scores will then be discussed at the ACTF Trustees meeting where up to 5 applications will be selected to receive a CAMS Fellowship, noting ACTF and CAMS reserve the right to make no Fellowship award if applications do not meet the required standard.

In the event of maternity, paternity, adoption, parental or sick leave on the part of the Fellow no additional funds will be paid, but the requirement to complete the Fellowship within predefined timescale may be relaxed at the discretion of ACTF and CAMS.

Annex 1: Definitions

CAMS	Means the Community for Analytical Measurement Science
ACTF	Means the Analytical Chemistry Trust Fund.
Trustees	Means the Trustees of the Analytical Chemistry Trust Fund.
Trust Administrator	Means the Administrator of the Analytical Chemistry Trust Fund.
Fellowship	Means a CAMS Fellowship.
Fellow	Means the holder of a CAMS Fellowship.
HEI	Means Higher Education Institution in the United Kingdom or the Irish Republic, as defined by the Scottish Funding Council, the Higher Education Funding Council for England, the Higher Education Funding Council for Wales, the Department of Employment and Learning Northern Ireland and the Higher Education Authority of the Republic of Ireland.
Home Institution	Means the UK or Irish HEI at which a Fellow holds their first full-time junior academic appointment.
Work Programme	Means the programme of work contained in the applicant's application for a CAMS Fellowship.
