5 Membership Admission and Transfer Payments

5.1 New member applications

Direct debit payments with or without L Q V W D O O P H Q W V will be offered for renewal payments only, for the second and subsequent years of membership. Payments accompanying membership applications must cover the entire amount due.

Membership runs from 1 st January to 31 st December each year . Applicants are required to pay the full year fee regardless of the date or month of admission. However, admissions made after 1st September will have the subscription fee rolled over to cover the subsequent year (i.e., admissions made in September 202 will have the subscription fee paid through to 31st December 202).

5.2 Transfer and other fees

Fees for application to transfer to Fellow or for Chartered Chemist status must be paid in full. These fees cannot be added to any L Q V W D O O P H Q W programme.

Transfers to Fellow require a payment of £100 on submission for 202 .

Applications for the award of Chartered Chemist require a payment of £ on submission for 202

6 Subscriptions to Journals in Print and Electronic

For 202 , as part of their membership subscriptions, Fellows (FRSC) receive a monthly printed copy of Chemistry World and can subscribe to one online journal of their choice at no additional cost. They also have free access to the Journals Archive lease and the Historical Co1
